Use an E26,
32W max. CFL bulb
Bulb not included

Use un foco CFL E26 de
32W máximos
No se incluye el bombillo

This pendant is hard wired should be installed by qualified electrician.

For Best Results:

(1) Be sure that curtains, shades, wall hangings, or other similar materials are not directly touching the top of the lamp shade or light bulb.

(2) Lamps are not designed to support additional weight; do not hang items from the lamp shade, the power switch, reading light arms, or any other fixture on the floor lamp(except if by design, such as a floor lamp with table).

(3) Light bulbs should never actually touch a lamp shade. If a lamp socket appears loose, tighten it. If the light bulb is touching any part of the shade, please re-check the assembly instructions.

(4) The lamp should be cleaned or dusted with a clean, dry cloth. We do not recommend any abrasives or cleaning solutions.

LAMPSHADE patent
USA: US 8,292,476
China: ZL200820000799.4
EU: 08014421.5-2423 (pending)
